Reason for this referral
Domestic violence: Ongoing threats from ex-partner (Brad Smith) and financial crisis

Presenting issues

Ongoing harassment and threats from ex-partner despite DVO, Risk of homelessness in 4 weeks, Reduced income and unpaid bills, Unable to afford counselling, Emotional distress and anxiety, Parenting under stress

Assessment

You're doing better and using the coping stuff we talked about. You threw out the pills and are no longer with brad, however he is still harassing you. Thinking about counselling but can't afford it. These services I have referred you to should help in these issues.
